

Effective at the closing of the 2004 Conference, with an attempt to minimize the high cost of the mailings distributed by the World Service Office, the only members that will receive the quarterly mailings will be current delegates, trustees, non-delegate chairs, office board members, alternate delegates, and conference committee members. Also included, for up to one year after their terms, will be outgoing trustees and outgoing chairs. Anyone else requesting the mailing will be asked to make a donation to cover the cost of the mailings (i.e., printing and postage) at the rate of \$10.00 per year for Domestic mailings and \$20.00 per year for Canadian mailings. Requests for electronic receipt are half price.
